Ms. Klein

We received concurrence with the EPA that Hale Reservoir is an isolated waters. We have assigned Action No. SPA-2012-00483-SCO to this activity. To avoid delay, please include this number in all future correspondence concerning this project.

We have reviewed this project in accordance with Section 404 of the Clean Water Act (CWA). Based on your description of the proposed work, other information available to us, and current regulations and policy, we have determined that this project will not involve any of the above activities and the EPA has concurred with this determination. Therefore, it will not require Department of the Army authorization under the above laws. However, it is incumbent upon you to remain informed of any changes in the Corps Regulatory Program regulations and policy as they relate to your project.

If you have any questions concerning our regulatory program, please contact me at 719-543-6915 or by e-mail at van.a.truan@usace.army.mil. At your convenience,
